

# TARRAB 91 TRI DECK MOTOR YACHT SPECIFICATIONS

<b>0</b>	<b>SIZES &amp; CAPACITIES</b>
0-1	L.O.A. 91' 0"
0-2	Beam 21" 6"
0-3	Approx. fuel capacity 2400 gal
0-4	Approx.fresh water capacity 265 gal
<b>1</b>	<b>MECHANICAL</b>
1-1	Twin freshwater cooled Caterpillar C32Acert 1825 MHP each, with Twin Disc marine gears, synchronizers, alternators, fuel and oil filters, primary water separator fuel filters, seawater intake strainers, mechanical gauge panels, Air-Sep air filters and adjustable mounts.
1-2	Two Northern Lights 30KW 60Hz, 240/120V generators with freshwater cooling, sea water intake strainers, Racor fuel filters, water lift muffler, panel with oil pressure, water temperature, amp and hour meter gauges at pilothouse with remote start panel crew quarters. The generators are fully protected for high water temperature, low oil pressure and overload. With sound enclosures.
1-3	Marine Air chilled water air conditioning system with reverse cycle heat 12Ton (144,000 BTU) capacity with air-handlers along ship with individual temperature controls in each room
1-4	Naiad hydraulic stabilizers 254 with 6 sq.ft.fins with controls at pilot house
1-5	Naiad hydraulic bow thruster system 12" 35HP with PTO at one generator and controls at pilot house
1-6	1500 lb. capacity hydraulic Mar-Quipt davit
1-7	Village Marine 1200 GPD Water maker
1-8	Fortress FX-125 aluminum anchor with 100' galvanized chain
1-9	Maxwell Vertical 3500 lb. capacity hydraulic windlass with two foot switches and remote station at pilothouse
1-10	Fuel tanks with fuel isolation valves
1-11	Oil changing system with pumps for main engines, transmissions and generators
1-12	4" Aquatech propeller shafts, stainless steel struts with rubber strut bearings and four-blade propellers
1-13	Air compressor
1-14	Kahlenberg double air horns
1-15	Fully automatic Fireboy extinguishing system with automatic shutdown for main engines and generators and overpass switch at pilothouse
1-16	Fresh air blower system from flying bridge to engine room with two blowers
1-17	Exhaust blowers in all bathrooms
1-18	Hynautic power assisted steering system with stainless steel rudders
1-19	Twin Disc EC-300 Electronic gears/throttles controls at pilot house
1-20	Zincs on shafts, rudders and transom bonded to all metallic underwater fittings
1-21	Fuel and water deck fill plates

<b>2</b>	<b>ELECTRICAL SYSTEM</b>
2-1	Main electrical panel at crew quarters, with 240 and 120 volt AC circuit breakers, 12 and 24 VDC circuit breakers, AC and DC amp and volt meters, sliding lock selector switches for selecting AC power sources and rotary switches for DC power and battery paralleling. Generators remote panels.
2-2	Electrical sub-panel at pilot house, with 240 and 120 volt AC circuit breakers, 12 and 24 VDC circuit breakers, AC and DC amp, volt and frequency meters. Main panels for generators
2-3	Cranking batteries for main engines and generators
2-4	Service batteries
2-5	Xantrex fully automatic inverter/charger 110VAC – 12VDC
2-6	24 volt fully automatic battery charger
2-7	ACR RCL-100 searchlight
2-8	Recessed ceiling light fixtures in all rooms with dimmers at pilot house, salon, VIP and master staterooms
2-9	Ceiling lights in engine room
2-10	Recessed light fixtures in aft deck overhead and upper aft deck ceiling
2-11	Indirect lights at bow
2-12	Accent lights port and starboard on exterior sides along top of salon windows
2-13	Table lamps with lamp shades in salon, guest and master stateroom night tables
2-14	Red lights recessed in pilot house overhead for night navigation
2-15	Double outlets in all rooms
2-16	GFI outlets in all bathrooms, galley, forward storage compartment, upper aft deck, aft deck, crew quarters and engine room
2-16	Cablemaster electrical inlet 240/120V (AC) 100 Amp. with 50' cable and isolation transformer at transom Telephone/TV inlet at transom
<b>3</b>	<b>PLUMBING SYSTEM</b>
3-1	Freshwater pressure system with 120V (AC) pump and pressure tank
3-2	Hot water heater
3-3	Rule 12VDC 3700 GPH bilge pumps with automatic and manual switches wired directly to the service batteries through a breaker
3-4	Sinks, shower and A/C condensate drains piped into a gray water sump tank equipped with an auto float discharge pump
3-5	Blackwater holding tank plumbed for dockside pumpout and pump for overboard discharge
3-6	Bronze seacocks on all underwater through hull fittings with electrical bonding
3-7	Vented loop valves on all overboard discharges at or below the waterline
3-8	Headhunter toilets in all bathrooms
3-9	Fresh water wash downs at bow, aft deck and upper aft deck

**TARRAB 91 TRI DECK MOTOR YACHT  
SPECIFICATIONS**

<b>3</b>	<b>PLUMBING SYSTEM (Cont.)</b>
3-10	Water supply with pressure regulator and valve to the chilled water system
3-11	Water fill hose for main engines
<b>4</b>	<b>ELECTRONICS/NAVIGATION</b>
4-1	Two RayMarine E-120 12.1" color GPS/Plotter at pilot house
4-2	RayMarine 10KW radar 6' antenna interconnected with the RayMarine displays E-120 at Pilot House
4-3	RayMarine DSM-300 1 KW Sounder interconnected with the RayMarine displays E-120 at Pilot House
4-4	Robertson AP22-300-160 Autopilot interfaced with GPS
4-5	Standard Horizon GX-3000S VHF marine radio with hailer, ans horns in the fwd and aft decks
4-6	TV omnidirectional antenna
4-7	Closed circuit TV with remote cameras on aft deck and engine room interconnected with the RayMarine displays E-120 at Pilot House
4-8	Panasonic intercom/telephone system 3 CO lines and 8 internal phones connected to shore inlet, one Panasonic with LCD display at pilot house and regular phones at salon and guests, crew and master staterooms
4-9	Ritchie 5" compass with light at pilot house
4-10	Three windshield wipers with washers at pilot house
<b>5</b>	<b>APPLIANCES</b>
5-1	Electrolux all refrigerator side by side with a Electrolux all freezer with icemaker at galley
5-2	GE Four burner electric cooktop at galley
5-3	GE oven at galley
5-4	GE Microwave/convection oven with hood at galley
5-5	GE Dishwasher at galley
5-6	GE trash compactor at galley
5-7	Whirlpool washer/dryer at crew quarters
5-8	Jenn-Air grille with fan at upper deck
<b>6</b>	<b>ENTERTAINMENT</b>
6-1	Led remote control Samsung 46" color TV, Sony home theater system at salon
6-2	Led remote control Samsung 40" color TV, Sony home theater system at master stateroom
6-3	LCD remote control Sharp Aquos 32" color TV, Sony home theater and remote controled tv-lift at third level lounge
6-5	LCD remote control Sharp Aquos 26" color TV at VIP forward stateroom
6-6	LCD remote control Sharp Aquos 19" color TV at captain, crew and port and starboard guests staterooms
6-7	LCD remote control Sharp Aquos 19" color TV at helmsman control console at pilot house
6-8	Jensen AM/FM/CD/DVD system with 7" color display and speakers in guests and crew staterooms
<b>7</b>	<b>INTERIOR AREAS</b>
7-1	High gloss customized veneer wood paneling in salon, pilot house, master and guest staterooms
7-2	Vinyl upholstered headliners in all rooms which do not specify other materials
7-3	Custom mirrors in all staterooms, salon and bathrooms
7-4	Carpeting in all rooms which do not specify other materials

<b>7</b>	<b>INTERIOR AREAS (Cont.)</b>
7-4	Carpeting in all rooms which do not specify other materials
7-5	Marble floors at all bathrooms
7-6	Teak & holly sole at Helmsman area at Pilot House and Country kitchen dinete area
7-7	Aluminum floor at engine room
7-8	Pirelli floor at crew quarters
7-9	Ceramic tile walls at master bathroom
7-10	Formica headliner at Galley
7-11	Lacquered vanities with marble counter tops and sink in all bathrooms
7-12	Wall paper in guest and crew bathrooms
7-13	Separate shower with safety glass door at all bathrooms
7-14	Jacuzzi at master bathroom
	<b>JOINER WORK</b>
<b>8</b>	<b>PILOT HOUSE</b>
8-1	Customized wood veneer and leather console with chart table
8-2	Custom leather or fabric upholstery "L" shape sofa
8-3	One custom cocktail table
8-4	Helmseat by Stidd
8-5	Chart Table
<b>9</b>	<b>COUNTRY KITCHEN</b>
9-1	Storage cabinets with marble or granite counter tops and stainless steel sink with faucetts
9-2	"U" shape Dinete under windshield
9-3	Three bar stools on countertop against galley
<b>10</b>	<b>DINING AREA</b>
10-1	Custom dining table with eight upholstered chairs
10-2	Credenza on fwd bulkhead with doors and shelves, and two cabinets with glass doors and shelves on sides, and lights on top, for china, crystal, and silverware, and TV space between the cabinets
