

TARRAB 101 TRI DECK MOTOR YACHT SPECIFICATIONS

0	SIZES & CAPACITIES
0-1	L.O.A. 101' 0"
0-2	Beam 22' 8"
0-3	Approx. fuel capacity 3580 gal
0-4	Approx. fresh water capacity 550 gal
1	MECHANICAL
1-1	Twin freshwater cooled Caterpillar C32 marine engines, 1650 HP each, with Twin Disc marine gears, synchronizers, alternators, fuel and oil filters, primary water separator fuel filters, seawater intake strainers, mechanical gauge panels, Air-Sep air filters and adjustable mounts.
1-2	Two Onan 40Kw 60Hz, 240/120V generators with freshwater cooling, sea water intake strainers, Racor fuel filters, water lift muffler, panel with oil pressure, water temperature, amp and hour meter gauges at pilothouse with remote start panel crew quarters. The generators are fully protected for high water temperature, low oil pressure and overload. With sound enclosures.
1-3	Marine Air chilled water air conditioning system with reverse cycle heat 180,000 BTU cool capacity and 198,000 BTU heat capacity with air-handlers along ship with individual temperature controls in each room
1-4	Naiad hydraulic stabilizers 302 with 7.5 sq. ft. fins with control at pilot house
1-5	Naiad hydraulic bow thruster system 65HP with with PTO at one generator and control at pilot house
1-6	1500 lb. capacity hydraulic Mar-Quipt davit with hydraulic boom and hydraulic rotation
1-7	Village Marine 1200 GPD Water maker
1-8	Fortress FX-125 aluminum anchor with 100' galvanized chain
1-9	Maxwell Vertical 4500 lb. capacity hydraulic windlass with two foot switches and remote station at pilothouse
1-10	Fuel tanks with fuel isolation valves
1-11	Oil changing system with pumps for main engines, transmissions and generators
1-12	4" Aquatech propeller shafts, stainless steel struts with rubber strut bearings and four-blade propellers
1-13	Air compressor
1-14	Kahlenberg triple air horns
1-15	Fully automatic Fireboy extinguishing system with automatic shutdown for main engines and generators and overpass switch at pilothouse
1-16	Fresh air blower system from upper aft deck to engine room with two blowers,
1-17	Exhaust blowers in all bathrooms
1-18	Hynautic power assisted steering system with stainless steel rudders
1-19	Twin Disc electronic gears/throttles controls at pilot house and flying bridge and remote plug-in.
1-20	Zincs on shafts, rudders and transom bonded to all metallic underwater fittings
1-21	Fuel and water deck fill plates

2	ELECTRICAL SYSTEM
2-1	Main electrical panel at crew quarters, with 240 and 120 volt AC circuit breakers, 12 volt DC circuit breakers, AC and DC amp and volt meters, sliding lock selector switches for selecting AC power sources and rotary switches for DC power and battery paralleling. Generators remote panels.
2-2	Electrical sub-panel at pilot house, with 240 and 120 volt AC circuit breakers, 12V DC circuit breakers, AC and DC amp, volt and frequency meters. Main panels for generators
2-3	Cranking batteries for main engines and generators
2-4	Service batteries
2-5	12 and 24 volt fully automatic battery chargers
2-6	ACR RCL-100 searchlight with remote control at pilot house
2-7	Recessed ceiling light fixtures in all rooms with dimmers at pilot house, salon, VIP and master staterooms
2-8	Ceiling lights in engine room
2-9	Recessed light fixtures in aft deck overhead and upper aft deck ceiling
2-10	Accent rope lighting under gunnel at bow and stern decks
2-11	Accent lights port and starboard on exterior sides along top of salon and Pilot House side windows
2-12	Table lamps with lamp shades in salon, guests and master stateroom night tables
2-13	Red lights recessed in pilot house overhead for night navigation
2-14	Double outlets in all rooms
2-15	GFI outlets in all bathrooms, galley, forward storage compartment, flying bridge, upper aft deck, aft deck and engine room
2-16	Cablemaster 240/120V (AC) 100 Amp. with 50' cable, electrical inlet and isolation transformer, at transom
2-17	Telephone/TV inlet at transom
3	PLUMBING SYSTEM
3-1	Freshwater pressure system with two 120VAC Headhunter pumps and pressure tank, with dock connection
3-2	Two hot water heaters
3-3	Rule 12VDC 3700 GPH bilge pumps with automatic and manual switches wired directly to the service batteries through a breaker
3-4	Sinks, shower and A/C condensate drains piped into a gray water sump tank equipped with an auto float switch discharge pump
3-5	Blackwater holding tank plumbed for dockside pumpout and pump for overboard discharge
3-6	Bronze seacocks on all underwater through hull fittings with electrical bonding
3-7	Vented loop valves on all overboard discharges at or below the waterline
3-8	Headhunter toilets in all bathrooms
3-9	Fresh water wash downs at bow, aft deck and upper aft deck
3-10	Water supply with pressure regulator and valve to the chilled water system
3-11	Water fill hose for main engines and generators

**TARRAB 101 TRI DECK MOTOR YACHT
SPECIFICATIONS**

4	ELECTRONICS/NAVIGATION
4-1	Two Northstar 6100i 12" Displays GPS/Plotter at pilot house
4-2	Northstar 10KW 6.5' radar antenna interconnected with the Northstar displays 6100i at Pilot House
4-3	Northstar 490-S Sounder interconnected with the Northstar displays 6100i at Pilot House
4-4	Robertson AP22-300-160 Autopilot interfaced with GPS
4-5	ICOM 504 VHF marine radio with hailer, two station, main at pilot house and remote at fly, with horns in the fwd and aft decks
4-6	KVH Track Vision 4 satellite TV antenna, with receivers at each TV
4-7	Closed circuit TV with 8 remote cameras on exterior decks and engine room interconnected with the Northstar displays and the TV system along ship
4-8	Panasonic KXT624 intercom/telephone system (ready for 3 CO lines and 8 internal phones) connected to shore inlet, one Panasonic LCD 7030 at pilot house and regular phones at salon, galley, pilot house and guests, crew and master staterooms
4-9	Ritchie 5" compass with light at pilot house
4-10	Three Exalto windshield wipers with washers at pilot house
5	APPLIANCES
5-1	Sub-Zero full refrigerator side by side with a Sub-Zero full freezer with icemaker at galley with SS front
5-2	GE Four burner electric cooktop at galley with SS front
5-3	GE oven at galley with SS front
5-4	GE Microwave/convection oven with hood at galley with SS front
5-5	GE Dishwasher at galley with SS front
5-6	GE trash compactor at galley with SS front
5-7	Miele espresso coffee maker at galley with SS front
5-8	Refrigerators at Pilot house, master stateroom and aft deck
5-9	Ice makers at salon bar and pilot house lounge
5-10	Two washer/dryers at companionway and crew quarters
6	ENTERTAINMENT
6-1	LCD remote control Sony 40" color TV, DVD, Bose home theater system and remote controlled tv-lift at salon
6-2	LCD remote control Sony 40" color TV, DVD and Bose stereo system at master stateroom
6-3	LCD remote control Sony 32" color TV, DVD, Bose stereo system and remote controlled tv-lift at third level lounge
6-4	LCD remote control Sony 26" color TV and Bose stereo system at VIP guest stateroom
6-5	LCD remote control Sharp 20" color TV and Bose stereo system at port and starboard guests staterooms
6-6	LCD remote control Sharp 15" color TV and stereo system at captain and crew staterooms
6-7	LCD remote control Sharp 15" color TV at helmsman upper control console at pilot house
7	INTERIOR AREAS
7-1	High gloss customized veneer wood paneling in salon, pilot house, master and guest staterooms
7-2	High gloss maple veneer wood paneled wall coverings at crew quarters
7-3	Vinyl upholstered headliners in all rooms which do not specify other materials

7	INTERIOR AREAS (Cont.)
7-4	Custom mirrors in all staterooms, salon and bathrooms
7-5	Carpeting in all rooms which do not specify other materials
7-6	Marble floors at all bathrooms, galley and dining
7-7	Pirelli flooring at engine room and crew companionway
7-8	Ceramic tile walls at master bathroom
7-9	Formica headliner at galley
7-10	Lacquered vanities with marble counter tops and sink in all bathrooms
7-11	Wall paper in guest bathrooms
7-12	Separate shower with safety glass door at master, guests and crew bathrooms
7-13	Jacuzzi at master
7-14	Bidet at master bathroom
7-15	Safety mirror headliner in all bathrooms
	JOINER WORK
8	PILOT HOUSE/UPPER LOUNGE
8-1	Customized wood veneer and leather console with chart table
8-2	Helmseat by Stidd
8-3	Desk on port side with chair
8-4	Leather bench seat with chart storage beneath, oval table and footrest
8-5	Two custom leather upholstery sofas
8-6	One cocktail table
8-7	One custom corner table with A/C under
8-8	Credenza on port side with doors, shelves and remote control TV lift system
9	COUNTRY KITCHEN
9-1	One "L" shape bench with cushions, table and four chairs
9-2	Credenza with door and shelf on starboard side
9-3	Upper and lower storage cabinets with granite counter tops
9-4	Stainless Steel sink with faucets
10	DINING
10-1	Custom dining table with eight upholstered chairs
10-2	Credenza on fwd bulkhead with doors and shelves, and two cabinets with glass doors and shelves on sides, and lights on top, for china, crystal, and silverware
10-3	Duette curtains on side windows
10-4	Two dividers between dining and salon areas, with doors and shelves, and decorator's columns
11	SALON
11-1	Credenza for china, crystal, and silverware, remote control TV lift system and wet bar under a cover, on port side
11-2	Two custom leather upholstery sofas
11-3	One cocktail table
11-4	Two custom corner tables
11-5	One playing cards table with four chairs
11-6	Duette curtains on side windows
	LOWER LEVEL
12	LOWER COMPANIONWAY
12-1	Linen closet with door and shelves
12-2	Washer/Dryer behind a door with overhead light
13	VIP FORWARD STATEROOM
13-1	Island double bed with polyfoam mattress
13-2	Quilted bedspread and pillow shams

13	VIP FORWARD STATEROOM (Cont)
13-3	Hanging closets with overhead light on both sides, port and starboard
13-4	Cabinets with doors on both sides, port and starboard
13-5	Night stands on both sides, with pillow storage space at center behind the bed
14	Port & Starboard Guest Staterooms
14-1	Twin berths with polyfoam mattress
14-2	Quilted bedspread and pillow shams
14-3	Hanging closet
14-4	Two portlights on outboard sides and upper cabinets on inboard side
14-5	Nightstand with drawer, shelf and door between beds
15	MASTER STATEROOM
15-1	Walkaround King bed with polyfoam mattress
15-2	Quilted bedspreads and pillow shams
15-3	Nightstands on both sides of the bed
15-4	Dressers on fwd bulkhead and starboard side
15-5	Oval windows on port and starboard sides with duettes curtains
15-6	Walk-in closet on port side, with cedar veneer walls, upholstered headliner, carpeting and overhead light
15-7	Hall on starboard side, with side table
15-8	"L" shape sofa and dresser with refrigerator on port side
15-9	En-suite bathroom, with hot-tub on port side and shower on starboard side, medicine cabinet, two sinks, toilet and bidet
15-10	Safe at walk-in closet
	LOWER DECK AFT AREA
16	ENGINE ROOM
16-1	Bulkheads and headliner covered with noise insulation
16-2	Soundproof door to crew lounge
17	CAPTAIN'S STATEROOM
17-1	Full size bed with polyfoam mattress
17-2	Hanging closet
17-3	En-suite lavatory
18	CREW STATEROOM
18-1	Twin size upper and full size lower beds with polyfoam mattresses
18-2	Hanging closet
18-3	En-suite lavatory
	EXTERIOR AREAS
19	FORWARD DECK
19-1	Bench with cushions forward and sun pads cushions aft
19-2	Storage compartments on both sides
19-2	Forward deck storage compartment hatch
20	BOW STORAGE COMPARTMENT
20-1	Ladder
20-2	Shelves to port and starboard
20-3	Door to chain locker
21	AFT DECK
21-1	Aft bench seat molded in transom with cushions between the two ladders to swim platform with oval table
21-2	Stairway to crew area with door on port side
21-3	Stern flagstaff
21-4	Stairs to upper deck on starboard side

22	SWIM PLATFORM
22-1	Molded with hull for full beam at stern
22-2	Two molded stairways leading to the aft deck with stainless steel handrails
22-3	12 V DC set of terminals from service battery for cranking the jet sky.
23	UPPER AFT DECK
23-1	Fiberglass cabinet on port side against pilothouse with sink and storage space under
23-2	Stairs to upper sun deck and aft deck on starboard side
23-3	"L" shaped fiberglass seating area with table, cushions and granite counter top corner table on port side
24	FLYING BRIDGE
24-1	Centerline molded control console
24-1	Helm seat with cushions
24-1	Hot tub at centerline aft
25	MISCELLANEOUS
25-1	Non-skid decks at all exterior areas and swim platform
25-2	Teak deck at aft deck
25-3	Tinted safety glass windshield and windows at country kitchen, dining, pilothouse (clear) and salon
25-4	One Freeman sliding door from salon to aft deck with tinted safety glass
25-5	Two Freeman sliding doors for access to port and starboard side decks at country kitchen
